

Dear Cadets and Warrior Families,

As we prepare for your return to campus in what we hope is just a few short weeks, I wanted to share our latest training handout with all of you. The [COVID-19: Returning to Campus Cadet Training information](#) is provided for you to review and discuss with your Cadet. We feel strongly that the information provided will allow your son to begin practicing good habits at home which will make the transition to campus life easier and safer when we return. It is important that Cadets, Staff, Faculty, and Parents make the "Warrior Family Commitment" to support a safe and healthy environment for everyone.

If you have any questions or would like to discuss further, please contact me at ward@armyandnavyacademy.org.

Warrior Proud! Warrior Strong!
